

[عقم]CORPOS

revista pós-pornográfica de fotografia

Esta revista leva o selo DUOCU, formado pelos artistas Bruno Novadvorski & Chris, The Red www.duocu.art.br

editorial

24 horas é o tempo contido no dia e na noite. 24 horas foi uma série de TV estadunidense. 24 horas é o tempo criado. Em 24 horas, tanta coisa pode acontecer. Fortunas podem ser perdidas. Cidades Destruídas. Guerras vencidas. Vidas transformadas. Mas hoje, nos tempos pandêmicos em que nos encontramos, 24 horas é o número protagonista

em todos os canais de notícias. Seja na TV, na internet, nos jornais, nas mídias sociais, estamos atentos às manchetes que começam com “O Brasil registrou, por Covid nas últimas 24 horas,...” como um loop infundável em que estamos tentando sobreviver não apenas ao vírus do Covid que todos os dias estão infectando e matando em números recordes pessoas no Brasil. Mas se um vírus só já não fosse suficiente, enfrentamos um ainda maior e, diferentemente do coronavírus, para o qual já há uma vacina, este outro vírus não parece ter solução breve: a ignorância. Enquanto o número de mortos aumentam a cada 24 horas, as pessoas continuam a se aglomerar. Continuam a festejar, na praia, na balada, nos bares, na casa mais vigiada do Brasil. Continuam a celebrar algo que ainda não sei o que é, pois aqui, da minha casa, o que observo são aqueles trágicos números que acompanham a frase das manchetes que começam com “O Brasil registrou, por Covid nas últimas 24 horas,...” e a cada passar destas vinte e quatro horas, temos menos a celebrar e, talvez, você me diga que temos que comemorar estarmos vivos diante de tantas mortes, que várias outras pessoas foram curadas. E eu te digo, as vidas salvas não excluem as vidas perdidas pelo vírus da ignorância que tem no Genocida, seu principal culpado. Vivemos um filme de terror para o qual não visualizamos um fim e assim, continuaremos esperando pelos números que acompanham as 24 horas até o momento em que estejamos todes vacinades ... ou mortos! Se já não o estamos!

Chris, The Red

designer gráfico, artista visual, fotógrafo, editor-chefe

Handwritten text in a script, likely Arabic or Persian, covering the entire page. The text is dense and appears to be a list or a record of some kind.

Handwritten text in a script, likely Arabic or Persian, covering the entire page. The text is dense and appears to be a list or a record of some kind.

Handwritten text in a script, likely Arabic or Persian, covering the entire page. The text is dense and appears to be a list or a record of some kind.

Handwritten text in a script, likely Arabic or Persian, covering the entire page. The text is dense and appears to be a list or a record of some kind.

Handwritten text in a script, likely Arabic or Persian, covering the entire page. The text is dense and appears to be a list or a record of some kind.

Handwritten numbers in a grid pattern, likely a calendar or ledger. The numbers are arranged in rows and columns, with some numbers appearing to be dates or sequential entries. The handwriting is in a cursive style, and the numbers are written in black ink on a light-colored background. The numbers range from approximately 1800 to 2700, with some numbers appearing to be dates (e.g., 1801, 1802, etc.).

Handwritten text on a piece of paper, featuring a dense list of numbers and a concluding statement in Portuguese. The numbers are arranged in several lines, with some appearing to be phone numbers or identification codes. The text is written in black ink on a light-colored background.

MORTO

A performance **24 horas** apresentada nesta edição foi realizada quando o recorde de pessoas mortas por Covid-19 em 24 horas era de 3.149. Infelizmente, hoje, dia 01 de abril de 2021, quando finalmente publicada, este número já havia sido superado. Continuamos testemunhas de um plano genocida de um psicopata legitimado por um sistema político-econômico onde o dinheiro vale mais que vida, como já afirmou o prefeito de uma cidade lá do sul do Brasil.
